Statistics Major – SUMMER ENROLLMENT (corrected)

In this newsletter:

1. Important Dates & Deadlines
2. Advising
3. Statistics Major Courses – *sorry I had an incorrect list of math courses & heading*
4. Enrollment Holds

Please see our FALL ENROLLMENT email for even more important updates!

1. Important Dates and Deadline

Mid-February – Summer 2021 courses available on Course Search & Enroll

March 28 – Summer term enrollment appointment times assigned to students throughout this week

April 4 – Students begin enrolling for Summer 2022 term courses according to appointment times

2. Advising

Carmela is available for advising appointments to discuss your summer enrollment plans and questions. Please see the Statistics major page (<https://stat.wisc.edu/undergraduate-statistics-major/>) for information on how to make an appointment or feel free to send us an email (advising@stat.wisc.edu)!

3. Statistics Major Courses

At this time, the following Statistics major courses are planned to be offered during Summer 2022:

STAT 240 Introduction to Data Modeling I (Intro course)

Additional courses to consider might include foundational Math classes (MATH 221, MATH 222, MATH 234, MATH 320, MATH 341, MATH 341)– this list is not exhaustive so please check for other courses that may be taught.

4. **Enrollment Holds**

As always, we strongly recommend checking your Student Center (<https://kb.wisc.edu/registrar/4139>) frequently to confirm that you don't have any holds that will impact your Summer enrollment.

Cheers, Carmela
