

# Fall 2024 Enrollment Information for Statistics Certificate

Please carefully read this entire email for Fall 2024 enrollment information.

Remember a certificate is meant to complement your major. We recommend Statistics certificates enroll in only **1-2 statistics/math/quantitative courses per fall/spring semester**. If you are in a STEM/quantitative major, a maximum of **three** STEM/quantitative courses per semester is our recommendation.

## ENROLLMENT HOLDS

Please check your MyUW Student Center frequently to confirm that you do not have any holds that will impact your ability to enroll in fall courses. Step-by-step instructions are available at: <https://kb.wisc.edu/registrar/4139>.

## PRIORITY ENROLLMENT

Some advanced courses will give priority enrollment for declared Statistics certificate students. Please see the **course notes** section in [Course Search & Enroll](#) to find out if individual courses have priority enrollment access. Priority enrollment **does not guarantee** access into certificate courses but will allow declared Statistics certificate students access to enroll before non-declared students.
