Subject: Summer 2024 Statistics Major Enrollment Newsletter
Date: Tuesday, March 12, 2024 11:26:00 AM
Attachments: [image001.png](#)

Are you planning to take summer courses? Please review this email for Statistics Major information for summer enrollment.

Due to the time commitment required and rigor/workload of Statistics courses, we recommend a **maximum of one (1) statistics/quantitative class over the summer term**. If you anticipate working long hours or significant travel plans, please make sure to factor in enough time to complete your coursework.

IN THIS NEWSLETTER

1. Important dates and deadlines
2. Advising Information
3. Enrollment Holds
4. Summer Course Equivalencies
5. Summer Enrollment Requirements
6. F1/J1 Visa Information
7. Summer courses for Statistics Majors
8. Planning to graduate in summer 2024?

IMPORTANT DATES AND DEADLINES (<https://registrar.wisc.edu/dates/>)

Summer 2024 courses are available on Course Search & Enroll

- **March 18:** Summer term enrollment appointment times assigned to students throughout this week
- **April 1:** Students begin enrolling for Summer 2024 term courses according to appointment times

ADVISING

Statistics Major students can make an advising appointment with me in [Starfish](#). Quick questions should be directed to advising@stat.wisc.edu.

Drop-in advising is available every [Thursday from 1:45PM-2:45 PM on Zoom](#). *There will be no drop-in advising on April 18.*

ENROLLMENT HOLDS

Please check your Student Center frequently to confirm that you do not have any holds that will impact your spring enrollment. <https://kb.wisc.edu/registrar/4139>

SUMMER COURSE EQUIVALENCIES

- Courses taken outside of UW are allowed: be sure to check [Transferology](#) to find out if/how your planned class will transfer back to UW
 - [Transferology Portal](#)
 - [Transferology User Guide](#) (Tutorials!)
 - Transfer courses are subject to summer term credit limits (see below for details)
-

SUMMER ENROLLMENT REQUIREMENTS

University policy limits students to course enrollment equal to **one credit per week of session with the exception of the eight-week general session**. That session allows for nine credits over the eight-week period. For example, if you are enrolled in a 4-week summer session, you are limited to enrolling in 4 credits.

The enrollment system does not allow students to enroll for more credits than their credit limit. In addition to the session credit limit, students will be allowed to enroll in a maximum of 12 credits across the duration of summer term.

Students must contact their academic dean's office to inquire about exceptions. Students requesting a summer credit overload should follow the policy indicated here: <https://policy.wisc.edu/library/UW-1346>.

F1/J1 Student Information

Please stay updated on guidance from ISS at <https://iss.wisc.edu/>.

Summer enrollment is generally not required for continuing students with several exceptions including:

1. Students pursuing [Summer Curricular Practical Training \(CPT\)](#):
 - a. Must enroll in an internship course.
 - b. Statistics major students: check out [Inter-LS260: Internship Course](#) for 1 credit during the summer
 - c. Follow the steps listed on the course website (linked above) to request enrollment for InterLS-260.
2. Students with a summer program end date:
 - a. Please visit the [ISS Full-Time Enrollment webpage](#) for info about your permitted summer enrollment
 - i. [Online Courses Policy](#): if an F-1 or J-1 student needs only one course to complete their program of study and the student intends to remain in the US, that course **MUST** be in a traditional, on-campus format. Those who choose to take online courses in their final semester must contact ISS, complete a Leave of Absence form, and depart the US (which has impacts on OPT eligibility)

[Reduced Course Load Form Information](#) for Summer 2024 Graduating Students:

- Graduating this summer? You may enroll in less than 12 credits while maintaining your visa status!
- Complete the [internal Stats/DS Reduced Course Load Form](#) to qualify.
 - Your assigned Statistics advisor will reach out with next steps **after reviewing**.
 - Fill this out **before** spring term ends; failure to submit the form may impact refunds on courses you drop

Have Visa or I-20 questions? Contact your ISS Advisor through TerraDotta (tutorials at <https://iss.wisc.edu/terra-dotta-tutorials/>).

SUMMER COURSES FOR STATISTICS MAJORS

Below is the list of courses planned to be taught for Summer 2024. Please go to [course search and enroll](#) to view course dates and modality.

Mathematics

- MATH 221
- MATH 222
- MATH 234
- Linear Algebra: MATH 320, MATH 340, MATH 341

Computer Programming

- COMP SCI 200, COMP SCI 320, COMP SCI 400

Introductory Statistics & Statistical Language

- STAT 240, 301, 324, and 371
- STAT 303

Probability

- STAT/MATH 431

Core Electives & Domain Electives

- CORE: STAT 451, STAT 632
- DOMAIN: STAT 475, STAT 525, COMP SCI 532

PLANNING TO GRADUATE SUMMER 2024?

If you are planning to graduate in summer 2024, you **MUST** apply for graduation after enrolling in your courses. Please click here for a step-by-step guide on how to apply. <https://kb.wisc.edu/registrar/4128>

Below are some additional links regarding graduation.

- Office of the Registrar's diploma information page: <https://registrar.wisc.edu/diploma/>
- What appears on your transcript: <https://kb.wisc.edu/registrar/page.php?id=96537>
- Commencement: <https://commencement.wisc.edu/>

If you have issues preventing you from enrolling at your enrollment time (either technical or personal), please contact me at advising@stat.wisc.edu.
