[Email DS advisors](#) with your 10-digit campus ID and screenshots if you experience issues.

Do's and Don'ts of Enrolling:

- Plan **back up classes**
 - It is likely your first choice of classes may fill by your enrollment time.
- Check your **enrollment appointment time** in your MyUW Student Center (and WiscMail inbox).
- Enroll as close to your appointment time as possible and select the "add me to waitlist if course is full option."
 - **Waiting to enroll may prevent you** from getting a seat in your preferred classes.
- Monitor Search & Enroll for **added seats and/or sections**.
 - Spots may open in different sections; you can enroll in sections with open seats!
- **Re-validate** your course selection before hitting 'enroll.'
 - This will help remove previous validation errors.
- **Read your validation errors FULLY**; they give important information as to why you may be prevented from enrolling.

Be sure that you are enrolling in the **correct section**.

- **Do NOT** enroll in courses that have **time conflicts**.
 - If you cannot be in two places at once, you shouldn't enroll in two courses taught at the same time.
 - Consult the following **enrollment FAQ pages**:
 - [Statistics courses FAQ](#)
 - [Computer Sciences courses FAQ](#)
-
